

## Hollie, Class 1

I really like my laptop! I go on it every day. I had mine when I was 4 years old. I use it for listening to music and lots more things. I share mine with all my family. I love playing games on my laptop. My school work has gotten better but as well as getting better at school! Now im 7 im getting better and better at knowing how to use a laptop. And im very good at typing too! I like going to school . My stories has got better too! By Hollie Class 1.
