

Giving every child in the UK opportunities to achieve their goals and ambitions

- Over 1.5 million children do not have access to a computer
- So far we have helped 100,000
- With your help we can reach many more...

On my computer I do research I look at the Tudors, chernobylie, river, skeletons, selegons and much more things. Research makes me learn things I never new

I had my laptop when i was 5 years old. I use my laptop to find information about animals with my mom and dad. I share my laptop with my sister all the time i like to share my laptop with my sister. I love going on games sometimes not all the time. I got better when i use my laptop to do my schoolwork.

My Qi helps me do maths because I go on Mathletics at home and at school and I'm getting better and better at adding, timetables and subtraction. I also go on Education City what's helps me to.
